# May 2024

## **1,2,3 Let's count!**

This numeracy workshop reinforces their skills and allows children to explore concepts through games and activities.

## **Baby parachute fun**

Come and explore something new, with some parachute fun for baby and you while singing songs and rhymes.

## **Between parents**

Parents come to talk about various subjects.

## **Crazy kitchen**

A new way to discover how our kitchen tools can be used to create different games.

## **House committee**

Meeting to exchange ideas and suggestions to improve the services offered to families.

## **Having fun with science**

A workshop that allows children to learn new scientific experiences while nourishing their natural curiosity.

## **Learn through play and Learn through play 24 months and under**

Come and have fun with your children while promoting their physical, social, emotional, cognitive and language development. A great opportunity to exchange with other parents and socialize with people from your community.

## **Loose parts**

Loose parts are materials that can be moved, carried, combined, redesigned, lined up, taken apart and put back together in multiple

## **Messy day**

It's time to take the paint out and initiate children to different colours!!

## **Move and grow**

Come develop your child's gross motor capabilities through a variety of activities using muscles and motor abilities.

## **My backpack**

Families will choose a backpack which includes activities that stimulate your child's literacy skills, imagination, and creativity.

## **Nursery rhyme time**

Join this workshop of Songs and Rhymes to please your little ones.

## **Off to school we go**

This animation workshop offers continuing support for young children entering kindergarten in creating a partnership between families, school and community. The objective of this workshop is to facilitate the transition to school.

## **Reading & recipes**

Storytelling followed by a recipe.

## **Sensory fun**

Sensory activities that help children learn new sensory experiences while nourishing their natural curiosity.

## **Walk and stroll**

Parents and their babies can now be active together. Learn toning exercises that you can do to feel good.

## **Watch me grow**

This service helps families track their young child's growth and development. It's a developmental screening, assessment, referral, and education service for families of young children from birth up to the age of 6 years old. <https://eohu.ca/en/classes-clinics/watch-me-grow>

## **Zumbini**

Zumbini® is a program that uses original music and movement to promote cognitive, social, fine/gross motor skills, and emotional development from children aged 0–4, In person.
